

# Red Tile Football Club

Who are we?

Red Tile FC are a local football club that play in the Bridgwater Sunday League, This season is our 20<sup>th</sup> year. The club started originally as a fun side who played amongst themselves as a pastime. Today we are very successful side who this season challenged on all 3 domestics, reaching a Semi Final of one cup and finishing Runners Up in the Cup and League Division 1 which has proved to be our best finish ever.

We pride our self on the development of youth and have 8 under 19 players, we are also looking at the prospect of joining forces with a youth side for which we would look at becoming an outlet to the youth when they finish playing at youth level.

We are the only club in the league that has met the FA's charter Standard award, which in short indicates that our club is run correctly to the strict guidelines set by the FA of England.

We also have a club website which is rapidly heading towards the 1 million visits in 5 years, which is amazing for a local football team run on a voluntary basis.

Although we have a number of very generous sponsors that have helped us in the past, despite this it is becoming more financially difficult to survive as a club.

We are in desperate need for your help if you are able to, hence the need for a fundraising evening.

## **Advertising**

We are looking for companies to advertise in our race programme, See attached sheet for size guide.

### **Option 1**

A5 – 148mm × 210mm = £40

### **Option 2**

A7 - 74mm × 105mm = £25

### **Option 3**

A9 – 37mm × 52mm = £15

## **Raffle/Auction Prizes**

We are looking for various raffle/auction prizes, we have already been offered tickets to watch Aston Villa as a prize, DVD player and others.. More the merrier.

## **How the Race Night Works.**

### **Auction**

For each of the 8 races, each horse will be auctioned off to the highest bidder/s, this often works well for syndicates to bid highest on a horse. The bidder of the auctioned horse in each race will own that horse for that race only, winning half the money raised from that Auction. Example if the total raised in Race 1 from the auction is £500 the owner of the winning horse will receive £250.

### **Tote**

After the auction has taken place for each race, participants will be able to purchase tickets for the horse/s of their choice. A punter can purchase as many tickets as they wish for as many horses as they wish.

Tote tickets will be sold for £1 each

The odds for payouts will be worked out depending on number of horses sold and how many of each horse are sold.
